Section 1. The Company has presented the revised Application and related information in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in the Town of Ledyard and Cayuga County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act;

(D) The Project will not result in the removal of a facility or plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other facility or plant to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. The Chairman (or Vice Chairman) and/or Executive Director of the Agency are hereby authorized, on behalf of the Agency, to schedule, notice and conduct the Public Hearing in compliance with the Act.

Section 3.
